IWMA: The Programme for the 16th International Water Mist Conference is out now

Hamburg, 11th July 2015. This year's International Water Mist Conference will take place in Vienna, Austria on 21st and 22nd September 2016. Venue will be the Arcotel Wimberger Wien.

As of today, the programme, which bursts with highlights, is online. The first ever "IWMA Young Talent Award"-Winner will receive his award and present his winning master thesis. There will be a panel discussion on the quality of water mist systems. And the delegates will also hear about water mist fire extinguishers which have been developed for the ISS.

In all, the programme includes 21 presentations and the speakers come from countries such as Norway, Iran, USA, Italy and of course Austria.

It can be downloaded from the conference webpage which is accessible via the IWMA homepage www.iwma.net.

The presentations that deal with systems in practice will be held on day one. The second day of the conference is dedicated to research and testing as well as guidelines.
