IWMC goes Madrid: Programme for the 21st International Water Mist Conference out now

Hamburg, 1st July 2022. The 21st International Water Mist Conference will take place in Madrid, Spain, on 9th and 10th November 2022. The conference hotel will be the Elba Madrid Alcalá Hotel. An exhibition will run alongside the conference.

As of today, the programme, which features a manifoldness of topics, can be viewed on the IWMA webpage as well as on the official conference webpage (which is accessible via the IWMA webpage).

The presentations that deal with systems in practice will be held on day one. The second day of the conference will mainly be dedicated to research and testing.

In all, the programme includes 22 presentations. The speakers come from countries such as Spain, Germany, Israel, the USA and the UK. The abstracts are available on the IWMA webpage.

The early bird period will end on 15th September. The registration period will end on 4th November. Special prices for residents of Spain are available throughout the registration period.
