

## IWMA News – Special Issue / Events

February 2015

### IWMC 2015 – “Call for Papers” has been released

The 15<sup>th</sup> International Water Mist Conference will take place in Amsterdam, Netherlands at the Mercure Hotel Amsterdam City on 28<sup>th</sup> & 29<sup>th</sup> October 2015.

Today the Call for Papers was released and can be downloaded from the IWMA webpage. Between now and 29<sup>th</sup> May 2015 abstract may be handed in. Please note that all potential speakers are

asked to use the template for writing their abstracts.

This template can be obtained from the IWMA headquarter in Hamburg, Germany. You will find the necessary contact details on the last page of this newsletter.

The IWMA Scientific Council will review all abstracts between May 29<sup>th</sup> and 30<sup>th</sup> June, which means that in early July speakers will be notified, whether their abstract have been accepted.

Abstracts in the following categories may be handed in: “research and testing”, standards & guidelines” and “applications”.

Should you have any further questions, please do not hesitate to contact IWMA!

### Become an IWMC Sponsor!

Again, the International Water Mist Association is looking for support for its annual conference!

There are opportunities to become either a sponsor or an honorary sponsor.

The sponsoring package includes – amongst others – one exhibition stand and one conference registration free of charge.

Organizations acting as honorary sponsors will profit from reduced rates for conference registrations. More details are available from the IWMA headquarter.

# IWMA Seminar in Lund

On 12<sup>th</sup> March 2015 the IWMA will hold a seminar in Lund at the University of Lund. Its title: "Scandinavian Water Mist Seminar – Technical Update & Approval Status.

This one-day seminar will include sessions on acceptance, standards and guidelines as well as presentations on systems in practice. The final hour of the day will be dedicated to group discussions.

During an exhibition the delegates will be able to visit the stands of the sponsoring companies Ultra Fog, Novenco, Danfoss Semco and VID Fire-Kill. All

presentations will be held in English.
