

# 18th International Water Mist Conference 19th & 20th September 2018 in London, UK CALL FOR PAPERS

## General Information

### **Objective:**

The conference will inform those responsible for selecting fire protection as well as researchers/scientists who wish to be updated on the current state of water mist technology for fire protection. Day 1 can be booked separately and its focus will be on applications and actual solutions. Day 2 will deal with research, testing and regulations. The conference is open to anybody.

### **Target Audience**

Safety engineers, consultants, manufacturers, researchers, government bodies, fire brigades, insurance companies, authorities having jurisdiction

### **Conference Venue**

The Grange City Hotel  
8-14 Cooper's Row, London EC3N 2BQ, UK  
contact person: Zivile Sungailaite  
mail: zivile@grangehotels.com

### **Accommodation**

Conference participants are responsible for their own hotel arrangements! However, the Grange City Hotel will provide a contingent of rooms at a special rate for IWMA delegates. The reservation form is available from the IWMA headquarter or from 15th May 2018 onwards on the conference webpage!
