Fax +49 40 35085-80

Hamburg, 1<sup>st</sup> February 2023

## Number of Water Mist Nozzles supplied in 2022

To whom it may concern, IWMA will henceforth collect basic market data

- to be able to depict the current state of the water mist market, and in the future,
- to be able to present how the market develops over time.

We would therefore like to ask you as a manufacturer of water mist systems and IWMA member to fill in the table and return it to [info@iwma.net](mailto:info@iwma.net) no later than **31<sup>st</sup> March 2023**.

Type of nozzle and segment	Number of nozzles supplied in 2022
Open nozzles – marine & offshore	
Automatic nozzles – marine & offshore	
Open nozzles – land buildings and industry	
Automatic nozzles - land buildings and industry	

**The data will be anonymized before it is shared internally within IWMA or externally.**

**Thanks for your support!**

Kind regards

Bettina McDowell, General Manager
