IWMA: 15th International Water Mist Conference – The Programme is now online

Hamburg, 29th July 2015. The 15th International Water Mist Conference will take place in Amsterdam, Netherlands on 28th and 29th October 2015. Venue will be the Mercure Hotel Amsterdam City.

As of today the programme is online. It includes 19 presentations. The speakers come from eleven countries such as France, China and the United States. Five speakers come from the Netherlands. They represent manufacturers, research institutes, universities and insurance companies. The programme can be downloaded from the conference webpage which is accessible via the IWMA homepage www.iwma.net.

The presentations that deal with systems in practice will be held on the first day of the conference. This day is thus called Applications Day and can be booked separately. The second day of the conference is dedicated to research and testing as well as guidelines.
