IWMA: Programme for the 19th International Water Mist Conference out now

Hamburg, 1st July 2019. This year's International Water Mist Conference will take place in Berlin, Germany, on 23rd and 24th October. The venue will be the Ameron Hotel Abion Spreebogen Waterside.

As of today, the programme, which features a manifoldness of topics, is online. Part of the event, as has become kind of a tradition, will be a panel discussion entitled: "Grenfell, Notre Dame – How can Water Mist Systems prevent loss of lives, property and jobs?"

The first day of the conference will be all about systems in practice and will include the discussion. The second day of the conference will mainly be dedicated to research and testing.

The flyer containing the agenda can be downloaded from the IWMA webpage and also from the conference webpage which is accessible directly via www.iwma.net.

Please note that the early bird period will end on 15th July. The registration period will end on 18th October.
