20th International Water Mist Conference (IWMC) to take place in Poland in 2021

Hamburg, 14th May 2020. Like many other events, the 20th International Water Mist Conference (IWMC) had to be postponed due to the current COVID-19 situation. Having initially been scheduled to take place in Warsaw, Poland, on 7th and 8th October 2020, the event has now been re-scheduled to take place on 21st and 22nd April 2021. The conference hotel will be the Regent Warsaw.

The updated schedule for this event will look as follow: On 1st June 2020, the call for papers will be released. Abstract deadline will be 30th October. Speakers will be notified by 23rd December 2020 whether their abstract has been accepted. All abstracts will be evaluated by the International Water Mist Association's (IWMA) Scientific Council.

The conference webpage which is also the registration platform will be activated on 30th October 2020. IWMA will offer reduced prices up to 15th January 2021.

The programme will be published on 4th January 2021. Day one of the conference will be Applications Day and can be booked separately. Day two will primarily focus on the scientific side of the technology.

IWMA will accept bookings for tabletops for the exhibition from 15th July 2020 onwards.

Deadline for submissions to apply for the IWMA Young Talent Award is 30th December 2020. In 2021, this award will go to the author of the best master thesis dealing with water mist.
