### **3rd IWMA Seminar in Dubai (Intersec)**

**Hamburg, 4<sup>th</sup> December 2017.** The International Water Mist Association (IWMA) invites 70 delegates to the third IWMA Dubai Seminar. The event will take place on 21<sup>st</sup> January 2018, the first day of Intersec 2018, and is accessible via the IWMA webpage. The event webpage includes amongst others the programme as well as the registration tool.

Please note that the seminar will start at 12:00 (noon) and finish at 5 p.m. In a prior press release IWMA had announced 1 p.m. as the starting time. But to be able to provide more slots for speakers and thus more information for the attendees the event will start an hour earlier.

In order not to miss out get you free ticket today.
